CAPITAL AND SURPLUS
$50,000.00
Do You Know?

That not a single dollar has been lost by a single depositor of any of the banks protected by the Depositor's Guaranty Fund of the State of Kansas?

That Kansas now has in the Guaranty Fund more than
$1,600,000.00

That the Osawatomie State Bank was the first bank in Miami County to take advantage of the Depositor's Guaranty Fund of the State of Kansas as an aditional protection to its depositors?

That this bank believes that nothing is too good for its customers and friends?
