GARDNER DEFEATED, 14-0

Visiting Team Had Been Guaranteed $50 Bonus If They Would Defeat Paola-Gardner Home Team

Osawatomie kept up its winning streak last Sunday by defeating the Gardner team by a score of 14-0. The visitors had been guaranteed a bonus of $50 if they would cop the big end of the score, and did bring down a fairly good team, but not before the wonderful pitching of Verne McConnell and the unusually clever of the home team.

Mike McConnell, pitching his second game of the season, twirled amazing ball. Not until the fourth inning did a runner reach first base, when Verne landed his first walk of the game.

"Mike" allowed two hits, one a rank scratch, struck out eleven men, and accepted nine chances without a "blink" of his eye.

Gardner played well in the field but could not hit McConnell, and the terrific stick work of the locals made the contest appear one-sided.

The features of the game, outside McConnell's pitching, was a home run by "Red Ken" Bussey and the steal of home by Cairns.

NOTES OF THE GAME

Harry Cairns is playing a star game at first, and pounding the ball hard.

Berlin attempted Cairns's feat of stealing home, but fell an easy victim.

Cairns's steal of home was a perfect bit of base ball. He simply outguessed the pitcher and slid into the plate safe by three feet.

Lou Tester was nothing his good right arm. He coached and batted for Shawnee in the sixth, hitting safely.

If the visitors are laboring under the impression that Bussey's home run was a lucky hit, they should witness one of "Red Ken's" efforts when he gets the wood on the ball properly.

Lapolla and Gedlinsky are hitting to hard luck. Lapolla was robbed of a hits by a great catch; Gedlinsky is hitting his drives fair by a few feet.

We maintain there is no good reason why we not a sacrificing hitter up to bat. Gedlinsky frown in several "Charlie" can either the new-stance and bunt the ball down the left field line.

Jim Dudley is getting his eye on the ball. He "outfoxed" Gardner himself and safe against Sunday. Dan and Lapolla are the best workers on the team. The pitcher should send out a card for this fact.

M. E. Ward to Mordecaiva

Word has been received here that M. and Mrs. Merle E. Ward, who have been at Lucent, Okla., will move to the near Texas to Mordecaiva, Oklahoma, where Mr. Ward has accepted a good situation. Mr. and Mrs. Ward are well known here. Mrs. Ward's maiden name being Miss Williams.

For many years prior to Mr. Ward has been manager of the Lumber Yard here and enjoyed the good wishes of his fellow citizens in that capacity. He is also interested in the grain business at Osawatomie, Kansas with his brother.
