I am doing genealogical research on the following people whom I think were buried in the old Glenwood cemetery in Philadelphia. I would appreciate copies of their records if you have them, and whether or not they were reburied in your cemetery. Enclosed is my check for \$25.

I cannot read the death dates you wrote on my letter of January 22 for Charlotte Armbruster and Lorenz Armbruster. Please clarify.

9/20/1892
12/30/1898

I also have the following questions:

Is the burial location you wrote on the letter for the old Glenwood cemetery in Philadelphia, or the location for reburial in your cemetery?

I would like to know if anyone else is buried in Section Z, Lot 667, Grave 3, and if so, their names and dates of death.

Thank you again for your help.
